

Diamond

Replacement Program

Peace of mind

When you purchase a Nisca PR-C101 card printer, you are guaranteed the peace of mind that you are covered with the industry's leading warranty and that your organisation will always be with a printer on-site. That means you will be guaranteed the convenience of being able to print cards any time, all the time!

Professional, courteous customer care.

We, at OZID Technologies pride ourselves in always bringing our valued clients unparalleled standards of customer care right through the sales process and beyond. Our dedicated after-sales service team is there to provide valuable help with technical issues and provide after sales support*. We always look to set and exceed world best standards of service to ensure our continued reputation as the Australian leader of identification solutions.

Extended warranty period

Our exclusive Diamond Replacement Program offers coverage of an amazing two (2) years for the life of your Nisca PR-C101 card printer*

Rapid resolution - same day shipping*

Our Diamond Replacement Program claim process is quick and hassle free, which means you won't have to wait for bureaucratic red tape. We provide same-day shipping* of your replacement printer so that you will be able to print your plastic cards again without additional stress and delay.

Diamond Replacement Program

**Australia's best
ID card printer
warranty program
and customer care
package**

Whenever you are printing cards using one of our Nisca PR-C101 card printers, OZID Technologies will be right there with you. It's part of our commitment to total customer care and uninterrupted ID Card printing with the PR-C101. Nothing demonstrates this commitment better than our unique Diamond Replacement Program.

OZID's Diamond Replacement Program is both a symbol of our integrity and a service standard that sets us apart from our competitors. When you consider what the package offers, you can see why it's acclaimed to be Australia's best ID card printer warranty and customer care package.

The Diamond Replacement Program provides an advanced exchange service during the warranty period for selected Nisca Printers and there is no additional shipping charges!*

In the unlikely event that your printer requires repairs during the term of the Diamond Replacement Warranty, OZID Technologies will provide a replacement at no expense! Our Technical Solutions Team will be happy to help with all of your ID Card Production needs.
